Greetings,

The Woodland Hills Foundation is proud to announce our Eleventh Annual Chocolate & Diamonds Affair, to be held on Saturday, February 8, 2020 at the Edgewood Country Club. The evening will include a formal dinner, a silent auction, a wine-pull and live music with over 200 attendees.

The Woodland Hills Foundation is an independent 501(c)(3) organization whose mission is to support the Woodland Hills School District and its communities by strengthening the educational experience of our children. As a proponent of public education, the foundation seeks to fill gaps in public education funding, set the stage for secondary education aspirations, and create opportunities for community building and volunteerism.

Each year, we raise much-needed funds to provide support for our programs and services. Your support means that we can continue to provide important services to our teachers, school administrators and students.

Please consider supporting this community asset by becoming a sponsor of the Eleventh Annual Chocolate and Diamonds Affair. Each sponsorship package offers recognition on event materials, social media and other media coverage. You'll also expose your business to our impressive network of donors and friends—all of whom have a vested interest in the strength and well-being of our schools, our children and our community.

The Chocolate & Diamonds Affair is the perfect opportunity to celebrate our past successes and we hope that we can count on your support as we raise a glass to the future. Thank you in advance for your support of the Woodland Hills Foundation and our mission.

Sincerely,

Dr. Steven T. Gough
President
